10 February 2020

Dear Parents/Carers,

At St Paul's, we consider the integration of technology as an integral component of modern learning environments. For students to use technology effectively they need to develop the appropriate skills and attitudes towards it. As parents and educators it is essential that we be informed about what students are doing online both at home and at school.

On Tuesday, 25 February 2020 at 6:30pm, St Paul's will be hosting a presentation by Mr David Emery – Operations Manager, ICLT Diocese of Wollongong, in the School Hall. At this event Mr David Emery will speak and share practical skills about how to be manage your child's device at home.

We encourage at least one parent from each family attends the evening. You will be required to bring your child's iPad and know their password to unlock the device.

Please RSVP by completing the slip below and returning it to school by Tuesday, 18 February 2020.

<b>When</b>	Tuesday, 25 February 2020
