

Calling for volunteers – we need your help!

Our students at St Paul's really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires volunteers to support the School Banking Co-ordinator to facilitate the banking and distribution of School Banking rewards.

We are hoping to gain the support of 4 volunteers to allow a roster that you will only be required 1 day a month. This takes a small amount of your time one day per month.

Your help with the program will greatly benefit students as they develop vital saving skills whilst also raising funds for our school.

Our school receives a Regular Savers Contribution of \$5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

School Banking day is every **Thursday**

If you are interested in volunteering for this great program, please fill in the tear off section below and return it to **the school office at your earliest convenience.**
